

# Lilford District Scouts County Lord Derby

16th April 2016 - Dunham Camp Site

## What?

A One Day Competition based around a round-robin of Patrol Challenges.

Two Patrols will be put forward by District and so I am looking for 'bids' from Patrol Leaders from our Troops on why 'your' Patrol should represent Lilford District in this prestigious County Competition.

As a further incentive, 1st & 2nd Place from County goes into the North West Regional Competition that will be held later in the year. NW Region is made up of Ten Scout Counties (Cumbria, West & East Lancashire, Mersyside, Cheshire, Isle of Man, Greater Manchester East/North/West)

**Think you can Handle the best from the County? - Prove It!**

Name of Troop

We should represent Lilford District because:

-----

-----

-----

-----

-----

Scout Leaders. Please pass this onto your Patrols to discuss.

The Lord Derby Competition is an Annual Event held at two levels, County and Regional, and involves a series of Bases or Challenges that the Patrol has to solve. Each Base lasts around 20 minutes and is marked in three areas, Leadership, Patrol Spirit and Technical Knowledge. Bases can range from pulling Landrovers up hills with Block & Tackle, to measuring the height of trees to a casualty simulation or anything inbetween.

Please encourage your Patrols to take part, it doesn't need to be a standing Patrol, you can mix and match (Full Rules later). It's great fun, it's something different and it's a chance to see and meet other like minded Scouts.

In the event of more than two entries, I will decide based upon the reasons given above.....

Please return completed form to Keith Morris - ADC(S) Lilford District, by **19th March 2016**
